

TC14 on Integrity of Biomedical and Biological Materials

Annual Activity report			
Year	2018		
Co-Chairs	Prof. Vadim Silberschmidt, Loughborough University, UK		
Secretary	Dr Simin Li, , Loughborough University, UK		
Meetings	Date	Location	Attendance
	29/08/2018	Belgrade, Serbia	5
Current Round Robin Activities	N/A		
New/Proposed Round Robin Activities	N/A		
New/Proposed Collaborative Research	Stents: materials, mechanics and manufacturing		
Publications and Dissemination Activities	Special Issue of Engineering Fracture Mechanics "Damage and Fracture of Biological and Biomedical Materials"		
Status of Standardisation Projects	N/A		
Subcommittees details and activities	N/A
