

TC8 on Numerical Methods

Annual Activity report			
Year	2018		
Co-Chairs	Jacques Besson (Mines ParisTech, CNRS UMR 7633) Nicola Bonora (Univ. Cassino) Ingo Scheider (HGZ)		
Secretary			
Meetings	Date	Location	Attendance
	January 15-16, 2018	Paris Ecole des Mines	20
Current Round Robin Activities	no		
New/Proposed Round Robin Activities	That point was discussed during the meeting. The main idea is to organize a „European Fracture Challenge“ following the three „Sandia Fracture Challenge“. However funding is required.		
New/Proposed Collaborative Research	no		
Publications and Dissemination Activities	Preparation of the special issue of EFM on „Continuum damage models for ductile rupture“.		
Status of Standardisation Projects	no		
Subcommittees details and activities	no subcommittees
